

Welcome!

The Monarch View Property Owners Association Board members, and your neighbors, would like to welcome you to our neighborhood. Monarch View is an attractive, vibrant area with a competition sized pool, baby pool, playground, maintained entrances and common areas, stocked fishing ponds, and organized activities for kids, adults, and the whole family.

There are two places to find more information about your new home area – our web site, mymvpoa.com, and our annual homeowners' meeting in July.

At www.mymvpoa.com you'll find:

- The latest news and neighborhood information, stories, and photos
- Complete list of Board members
- Password protected neighborhood directory
- Monarch View map
- Restrictions
- Bylaws
- Protective Covenants
- Recent newsletters
- Homeowner's dues information
- Pool information and rules

At our annual homeowners' meeting in July you will meet the Board members, hear discussion of the current budget, discuss plans for upcoming improvements, have a chance to express concerns or compliments, and meet more of your neighbors.

We look forward to meeting you and your family. Please give one of our Board members a call if you need more information.
